For Immediate Release:

Unimed Government Services to Participate in Goldman Sachs 10,000 Small Businesses Program

Local entrepreneur accepted to national program designed to help small businesses grow

Concord, Mass and LAKEVILLE, Minn.—September 9, 2019—Unimed Government Services (UGS), a distributor of best-in-class dental, medical, safety and infection control solutions, announced today that it has been invited to join the National Fall 2019 Cohort of Goldman Sachs’ 10,000 Small Businesses program. The program takes place at Babson College in Waltham, Mass. from September 2, 2019 through November 23, 2019. Goldman Sachs’ program designed to help entrepreneurs create jobs and economic opportunity in their local areas.

“Our acceptance comes on the eve of our first ten years in business,” said Judith Manchester, chief executive officer for UGS. “For nearly ten years, we’ve been honored to support thousands of service men and women, school nurses and fire and police officers, to name a just a few. We’re delighted to gain the training and knowledge that will help us expand our ability to serve the people we believe are some of the most dedicated and hardest working in our country.”

Goldman Sachs 10,000 Small Businesses provides business owners with access to education, capital and business support services. To date, more than 8,600 business owners have graduated from the program across all 50 states in the U.S., Puerto Rico and Washington, DC. 10,000 Small Business Graduates consistently create jobs at rates that outperform the broader economy.
